## Rules

1. To begin play, each player draws one domino with the highest draw (adding both sides of domino together) winning the first shuffle. Ties to be redrawn by the tying players.
2. The “domino shaker” role rotates clock-wise, and the person to the left of the shaker bids first.
3. Maximum initial bids of two (2) marks high, with overbidding limited to one (1) mark above the previous bid.
4. The first team to seven (7) marks wins or the team leading in marks at the end of the time limit. The time limit will be determined once the number of players registered is known.
5. Dominoes must be set on the table with a backrow of four (4) dominoes & a front row of three (3) dominoes. Dominoes may not be rearranged during play & hands must be kept below the table unless you are playing a domino.
6. “Low” bids are not allowed, unless the first three (3) bidders all pass. The last bidder then has the option of going low. Doubles can be high, low or a suit of their own.
7. “No Trump” also known as follow me bids are allowed.
8. “Sevens,” “Splash” & “Plunge” bids are **NOT** allowed.
9. Bids of two (2) marks or more will be stacked.
10. A domino laid is a domino played.
11. Trump suit (or no trump) must be called **BEFORE** the first domino is played; otherwise, the suit of the first domino played will be the trump suit.
12. Any attempt of “talking across the table” will result in loss of hand.
13. Renege (misplay) will result in loss of hand.
14. No player substitutions are allowed after the tournament has begun.
15. Any disputes will be reported to tournament director. All decisions made by the director are final.
